\*ITGBL approved country indicates a location with an office authorised to manage international relocations for US government and military personnel under the International Through Government Bill of Lading (ITGBL) programme. This designation confirms compliance with the U.S. Department of Defense's Defense Personal Property Program (DP3), including required insurance, security, and operational standards for handling official government shipments.

**Santa Fe Relocation** is a Global Mobility company specialising in managing and delivering high-quality Relocation services worldwide. Our core competence is helping organisations, their employees and their families relocate and settle in new places. These services are delivered to a consistently high standard, locally and globally, through our own operations and approved partners.

We help people work, live and thrive in new places around the world.

**Global Mobility made easy.**

### Sustainable print policy

In line with our ESG strategy, we aim to use FSC-certified printers wherever possible. This ensures all materials come from responsibly managed forests or recycled sources. If you're viewing this document electronically, please consider the environmental impact before printing.
